

Troop 1191 PARENTS RIGHT TURN INITIATIVE

With focus, determination, commitment, parental support and guidance during the 2005-2006 school year three Scouts from Troop 1191 earned the rank of Eagle. It is our long term vision that all of the young men who are apart of Troop 1191 obtain the rank of Eagle. To ensure that this vision become a reality we are forming “Troop 1191 - Parents Right Turn Initiative.” Parents Right Turn Initiative will provide the necessary information, support, and guidance for parents to ensure that their Scouts are making the “right turns” on the road to Eagle.

- Quarterly meetings for parents informing them of their Scout’s rank advancement. The quarterly meetings will be held simultaneously with Troop meetings one Monday of each month.
- Parents will receive a quarterly print out of their Scout’s accomplishments, outstanding merit badge requirements, leadership training, and other valuable information.
- Encouragement, support, and suggestions from parents who have traveled the road to Eagle.
- Information regarding campout reviews and troop organization.
- Scout’s Visual Presentation: proper wearing of uniform for Scout meetings, Scout Master Conferences, and Board of Reviews.
- Provide an opportunity for Troop 1191 parents to get to know each other.
- Building a stronger foundation for future Scouts.
- Questions & Answers
